(Great Co-) Mission: Possible!

Have you ever been assigned a task that felt impossible? I certainly have, but there's probably nothing that seems more impossible than the task of fulfilling *The Great Commission*. Reach every person on the planet with the good news of Jesus and make disciples too?! Even Facebook has only reached five hundred million people! We have to learn to face the fact that The Great Commission is a God-sized task requiring a God-sized task killer. The students and staff of NIU CRU have realized this and so last semester we packed into our basement, with the smell of fresh baked cookies in the air, and typed up our first vision of what we are trusting God to fulfill through us this year.

Please pray with us to see this vision/mission accomplished.

Jeremy and Heather
and Family

But Jesus looked at them and said, "With man this is impossible, but with God all things are possible."

Matthew 18:26

We desire that we, as a CRU movement, would be known as people who live uncommonly, that we live out of a deep love and passion for Jesus. We desire that we would be a group of Christ-followers dependent and devoted to prayer, seeing 10-15 students meeting together each week to pray. As we seek to be active in sharing the Gospel of Jesus with those around us, we want to trust God for 25 new believers this school year. Then, as students understand the Gospel, that they would then go, share, teach, and train other followers of Christ to do the same with their lives. We envision that by the end of the school year, there would be 20 students multiplying their lives, and 50 students involved in community groups. In addition, we would love to see so many students attending the CRU weekly meetings, that we would outgrow Dusable 204. From NIU, we envision that students would go to the world with the understanding and passion to know Christ and make Him known.
