"Jesus looked at them  
and said, "with man this  
is impossible, but with  
God all things are  
possible."

### Ask And You Shall Receive

Huddled in the upstairs of a nearby church, sitting around four long tables pushed together to create a make-shift board room feel, nine student leaders and four staff were dreaming about God accomplishing the impossible; *every freshmen and new student at NIU given an opportunity to embrace the gospel.*

It all starts with New Student Questionnaires. A few simple questions that indicate the spiritual interest of new students. With those questionnaires in hand we will spend the next month trying to engage with all those who indicated in interest in knowing God and connecting to a Christian community.

We asked God boldly for 1,000 questionnaires to follow up with.

*He provided nearly 1,600!*

We are still trusting God for a men's and women's small group Bible study in each of the five dorms.

We are asking God to enable us to see 10 students place their faith in Christ, get involved, and begin growing this fall semester.

We are trusting God to see 75 students at our Fall Retreat, Oct. 7-9.

We are dreaming big that God will lead one hundred students to our weekly meeting every week.

### Cru Live!

Our weekly large groups gathering is now called Cru Live! There were 75 students at the first Cru Live gathering of the year!

### Cru Kick Off Party

God provided a beautiful day for our freshmen party! We had a hot dog cookout and played volleyball. We met a ton of new freshmen at the party.

Through your prayers and generous giving you were part of that huddle at the church. Please continue to dream big dreams and pray big prayers with us. Together let's ask God to glorify His name by answering our prayers and accomplishing the impossible.
