GIVING ONLINE OR BY CHECK

<http://give.ccci.org>

Use enclosed envelope and make your check payable to CCC. Your gift will be forwarded to our summer location.

Dear Friends,

On June 1st Heather and I will celebrate 10 years of marriage! And next year we will celebrate 10 years of serving the Lord full time with Campus Crusade for Christ! You have played a significant part in both of these momentous occasions. Thank you so much for being a faithful partner and friend, personally and in ministry. We are grateful to the Lord for your generosity, prayers, and encouragement to press on.

Imagine for a second starting a new job, in a new city, where you don't know anyone. You've observed someone in your new role, and you sort of know what you're supposed to be accomplishing, but you have no idea how to accomplish it. That's how I've felt during my first year of leading the staff team and student movement at Northern Illinois. It's been difficult to say the least, but despite many of my rookie mistakes and oversights God has moved mightily in the lives of students. Hopefully you've been encouraged by some of our newsletters this year. God is strong when we are weak!

During the summer, while students are back home working (or playing), CCC provides wonderful training opportunities for new campus directors so that we can better lead our team and movements. This summer, along with dozens of other new movement leaders across the country, I will go through an intense time of learning from current campus directors, getting practical one on one coaching, and gaining invaluable insights from some of CCC's national leaders.

This training, as well as the bi-annual CCC U.S. Staff Conference, will be held in Fort Collins, CO. The ten day Staff Conference is designed to bring renewed vision and clarity to the mission that God has called CCC towards in the years ahead.

In order to meet the additional cost of the training and conference, as well as travel and housing expenses, we need to raise \$4,800 in special gifts. This is above and beyond the monthly support we already raise. Would you please consider a special gift to help with these expenses? The column on the left shows the various ways you can give, and remember that any gift amount would be extremely helpful and greatly appreciated.

Your ongoing partnership in prayer and giving is vital to the effectiveness of reaching the world with the gospel. We are eternally grateful for you!

Yours in Christ,

Jeremy and Heather
