## Preparing To Leave

Our house has been packed up and we've had to say some sad goodbyes to our friends and teammates in Muncie, but we are ready to leave. Spending extended time this summer with family has been especially great. The kids really love Nana, Papa, Grandma, and Poppy. Heather has been teaching Ethan to read and he's really picking it up quickly. It's fun to hear him reading signs as we drive. Sydney is developing into a social butterfly. When we go to the playground she is quick to introduce herself to other girls her size. She always says, "do you know my name? It's Sydney Karis Reddy." Teagan keeps us on our toes as he is constantly on the go. His new favorite thing is the trash can. He loves throwing things away, including the remote control, DVD's, and toys. We must check the trash often to make sure that we are not throwing away something we need. We are all eagerly anticipating our move. Please pray as we adjust as a family to this new place.

## Prayer Requests

- As we have prepared to leave for East Asia we have been faced with a major challenge. Heather has been experiencing excruciating lower back pain for over two months now. The pain is worse when picking up heavy objects (we have three of them) and walking for long periods of time, both of which she'll be doing a lot of in East Asia. X-rays show nothing, chiropractic treatment doesn't seem to help, and the doctor of osteopathy was unable to help either. Recently she tried acupuncture and it seemed to lessen the pain slightly even after just a couple of treatments. Please pray that this therapy would continue to bring healing and lessen the pain.
- We were unable to sell our house so we are renting it to three single CCC staff guys, assuming they can get out of their current lease. Please pray that they will be able to get out of their lease and rent our house for the next year or two.
- There is a lot of paper work that needs to be submitted to various organizations. Please pray that my acceptance into the University would go smoothly, that our visas would go through without any problems, and that we can find decently priced plane tickets in light of the Olympics happening in that part of the world.
- God would provide the financial support needed for us, as well as our entire team.

## East Asia Support Update

Goal—\$26,300

Received—\$11,975

Still Need—\$14,325

If you've already sent in a gift we thank you. If not, you can still contribute towards our ministry assignment transition to East Asia. We can't leave until we reach 90% of our support goal. Please use the envelope we sent a few weeks ago, or you can go online to [give.ccci.org](http://give.ccci.org) and give by check or credit card.

Thank you for praying and giving to help our family reach students in East Asia with the life changing Gospel of Jesus Christ.

Yours for reaching the nations,

*Jeremy, Heather  
Ethan, Sydney  
Teagan*
