CAMPUS CRUSADE FOR CHRIST @ BALL STATE

TURNING LOST STUDENTS INTO CHRIST-CENTERED LABORERS

Prognosis negative....and positive

The mystery is finally over. Sitting in a cold, sterile, doctor's office at 8 am we heard, "Heather has a *herniated disc in her back*." The bad news is that the only way to immediately remove the problem is with surgery (which we are not going to pursue at this time). The good news is that the body will heal itself, but that could take up to a year and possibly longer. We are seeking some treatments that can help with the pain. Heather says that the pain has lessened quite a bit and is optimistic that she's on the mend. Thank you all so much for praying for Heather. She has truly felt loved and cared for by God and by you.

Fall - Family - Future

Amazingly warm weather during October has made for a fun fall. Family work days in the yard and corn mazes have been a blast. Our house has officially been sold and so the preparations to move out have already begun. Where will you be living, you might ask? Well, the plan is to move to East Asia in February. Heather was able to go there this past week and test out her back, familiarize herself with the city, and prepare our apartment for our arrival. We are getting really excited to go and believe that the Lord is leading us in this direction. Thank you for praying for our family as we have been making this big decision. God has been so good to us. He has taught us to trust Him even when things don't make sense.

Fall Retreat

Adam didn't really come to small groups or CRU meetings on a regular basis, but someone invited him to come to Fall Retreat, so he did, and it changed his life forever. At the retreat Adam realized for the first time what it really meant to trust in Jesus and that it is by grace, that undeserved gift, that he can come to God. He told a new friend the next morning after he made that decision that he finally understood what those praise and worship songs were talking about. Jesus really did pay it all!

PRAYER CORNER

- ◆ GETTING MOVED OUT OF OUR HOUSE IN THE MIDST OF A BUSY LAST HALF OF THE SEMESTER.
- ◆ HEATHER'S BACK TO HEAL AND THE TREATMENTS WE SEEK WILL HELP STOP THE PAIN.
- ◆ SMALL GROUPS IN NOYER AND PARK DORM WOULD GROW. THE STUDENT LEADERS THERE ARE FEELING DISCOURAGED BY SMALL TURN OUTS AT THEIR BIBLE STUDIES.

Thank you so much for partnering with our family to bring the good news of Jesus Christ to the world!
