

THE REDDY CRU

A LIFE CHANGING COMMUNITY OF STUDENTS PASSIONATE ABOUT CONNECTING PEOPLE TO JESUS

Gus, a transfer student to NIU, went to the Indy CC conference this past winter where he heard about Destino. Destino is a specialized ministry designed to help reach Latino students. Gus is Latino and was ecstatic to hear about Destino, because he has a great burden to reach other students like himself.

Gus found Robert and Henry, two students within Cru who were also Latino. They began meeting together to pray and plan for how they might give every Latino student at NIU the opportunity to know Jesus and get plugged into a life changing community.

The three guys came to me with many questions and I was able to give them encouragement and resources to begin.

Within a month they had anywhere from 5-15 Latino students coming to a weekly small group Bible discussion where they talked about how Biblical truth and real life intersect.

Gus, Robert, and Henry have been amazed at how God has blessed them richly in Christ and enabled them to be a blessing to others.

Because of your prayer and giving
Gus, Robert, and Henry
are reaching their world for Christ!

This summer we will be transitioning to our new assignment with Cru at the University of Central Florida. We need much prayer during this time.

Prayer Request:

- * For Heather and I to walk closely with God and depend on Him.
- * For Ethan, Sydney, Teagan, and Isley to adjust well to the changes.
- * For clarity of vision and understanding how to begin leading in the fall.
- * For a new home and new church home.
- * For our home in Dekalb, IL to sell.

Thank you for your partnership in
the gospel,

Jeremy and Heather
