Dear

Two weekends ago we had our annual Fall Retreat. What an incredible time for relational connection, rest from a busy class schedule, and focused time with God. Every year it is our desire that many freshmen would come to Fall Retreat, because it is such a great time for bonds of Christian friendship to be established that will last forever. The atmosphere is so fun and relaxing that it fosters community. In years past it was difficult to get freshmen to come because they're not quite sure about Campus Crusade yet, or they just haven't made strong friendships yet, or because they want to go home every weekend. But, this year, nearly 80 freshmen came to Fall Retreat, which, compared to last year's 18 freshmen, is absolutely amazing. God is working in the hearts of college students. The freshmen that came to Fall Retreat were given the vision for why Campus Crusade for Christ exists, to know Christ and to make him known, at Ball State and around the world.

Ethan and Sydney helped us pack up the van before we left for Fall Retreat. The kids absolutely loved it there. We had great fall weather and the kids really enjoy the college students.

Ethan is having a blast in his gymnastics class. He is great on the balance beam and loves doing summersaults. Ethan also loves to ride his bike, but now that it is starting to get cold out he rides around inside the garage.

Sydney is beginning to show her personality a little bit. She doesn't just sit there and take it anymore when Ethan takes her toys. She gets feisty. Not that you could tell from the picture, but sometimes they don't play very well together.

Our family is doing well. We are so thankful for you and your support of us and our ministry. God bless you.

Prayer Requests

- **Three sophomore guys that I work with are praying about moving back into the dorms for the main purpose of ministry. Pray that God would lead them to where he would want them to live next year.**
- **Heather and the kids are heading down to Orlando to visit her parents in November, please pray for a safe and uneventful flight.**
- **Pray for the lost souls on the campus of Ball State. Pray that every student would know someone who truly follows Jesus.**

Laboring together with you,

Jeremy Heather
