

Dear Partner,

Today we wanted to do something a little different. We always want to express our gratitude to you because you are such a critical part of this ministry. We wouldn't be able to see God do the incredible things in the lives of college and high school students without your care and support. You share in this ministry.

Today you also get to hear the gratitude of our students, as a number of them took some time to write thank you cards to express their appreciation for those who support the ministry here. Space only allowed me to pass along a few here. As you read them, you can get a little insight as to what God has done and what Cru has meant in their lives. Some are new believers, many have found ways to have a ministry, and all have grown in their walks with the Lord. Know that your support is also affecting hundreds of similar students in addition to these.

You mean a great deal to us, and we're glad you've chosen to pray and invest in this ministry. It is changing students' lives and also affecting untold others as they step out in faith and influence others.

Honored to have your support!

Hi! My name is Rachel. I'm a sophomore studying English second education. I joined Cru last year and I accepted Christ as my Savior at TCX. Thank you for your support, it has saved my life! God bless!

Hi! My name is Samantha, and I'm a senior at UW-Madison studying Human Development and Family Studies. I got involved with Cru right away my freshman year, and it has radically changed the past 4 years. Through Cru, I have made incredible friends, learned how to share my faith, grown so much in my walk with the Lord, and gained a heart for the world. Being involved in Cru has been an incredible, life-changing experience.

I joined Cru freshmen year and really enjoyed learning more in Bible Study and seeing strong Christian leadership. I went on the Winter Retreat (TCX) and it was there where I fully understood the power of the Gospel and how much God loved me. He completely transformed my life and through His power I spent my summer in Miami with Cru, working and sharing the Gospel. It is now my 2nd year and I am helping lead a freshmen Bible study. Cru has played a huge role in my walk with God. Thanks for your support! - David

My name is Ali and I am a junior studying rehab psych at UW-Madison. Cru has played such a significant part in my life and is the reason that I chose to follow Christ through college. Thank you for all you do to support our movement. I am beyond grateful for the impact you have had on our campus. Thanks.

Hey there! My name is Devin, and I am a senior at UW-Madison. I am majoring in sociology and French. Cru has been a huge part of my 4 years here at Madison. I came to college a Christ-follower, but Cru really helped me to own my faith and gain a heart for sharing the gospel with the nations! I'm applying to join full-time staff with Cru after graduating. Thank you for your support! God is at work at Madison, and Cru is doing Kingdom work here. Thanks for making this possible through your generosity.

Dear Friend,

Thank you so much for helping Cru stay alive! It has been the biggest part of my college experience and I can honestly say I would be lost without it! Thank You!

Hello! My name is Hannah and I'm a senior here at UW Madison. I want to thank you for your prayers and financial support. You have no idea how much Cru has impacted my walk with the Lord. Through Cru I have met my best friends and am now applying to intern next year. Cru has allowed me to understand that God is real and intimate. Thanks again!

Hi there! My name is Alyssa and I'm a junior at UW-Madison. Cru has been such a blessing to my walk with the Lord. All of the conferences, community, and Leadership opportunities have changed my life forever!... Thank you for loving us!

### We Cherish Your Prayers:

- Praise God for the 25 students from UW-Madison, Whitewater, and Platteville who have applied to serve with Cru overseas or as full-time staff members next year. This is incredible and doesn't include our graduates who are choosing to serve with churches and other mission organizations. We want the Madison area to be a launching pad to provide the needed laborers all across the world. Pray God continues to raise up laborers to every nation and occupation through this ministry.
- Please pray for the many students who have put their trust in Christ this year, that they would continue to grow in Christ, build a solid foundation for faith, and be active in fellowship and that the Lord would use them in a mighty way to bring their friends, family members, professors, classmates, teammates, etc. to Christ.
- Please pray that the Lord will direct us to enough new financial partners in ministry. We are taking concentrated time to work on our support this semester before Scott leaves in May to lead the summer project again in North Myrtle Beach, South Carolina. (Bonnie and the kids will join him later when the school year ends.)
- Pray for Julia as she is scheduled for general anesthesia on April 15 for an MRI for headaches followed by some laser treatment of telangiectasia on her face.
- Please pray that we would have wisdom in parenting and that our three children would walk with the Lord from an early age and grow in their love and knowledge of Him daily. (Don't worry. The kids seem to be doing well.)
