

# The Roe's Hatch

September 24, 2019

Dear Partner,

Two months ago we were wrapping up another inspirational Cru national conference in Colorado as a family, being challenged and gathering ideas to infuse into our local ministry. Now we are a few weeks into the new school year and it's astonishing to think of all that's happened so far.

We've seen God's people generously provide the funding so that 6 recent graduates are now working full-time on our team. Without them, we would have been in trouble, but with them, we are taking significant steps forward at Whitewater, Edgewood and Madison College. They are gifted go-getters who enrich our team and have already led lost students to find Jesus.

Before classes began, we gathered many of our student leaders for our annual Leadership Advance overnight. We are always bringing in new leaders as we graduate our most experienced. We love the fact that interns and student leaders step up to lead many of the impactful elements, including teaching others how to do evangelism and discipleship using some of our old and new tools.

Even as we can and do a lot of the planning and equipping ourselves, we know that involving, training, and releasing students, volunteers, and younger staff can better help us multiply our lives and help us reach our goal of **Building Movements that Win, Build, and Send to Wisconsin and to the World.**

To engage the new students on various campuses we spread out meeting students and inviting them to fill out spiritual interest questionnaires. We also hosted a huge volleyball tournament, big Packer-Bears football party, an all you can eat corn-on-the-cob/barn dance at the campus stock pavilion, and much more.

Our first large group meetings at Whitewater and Madison started out strong, even with a time change to accommodate the first Packer Game on Thursday night. The second week at UW-Madison when the gospel was explained, 40 students marked their comment cards saying they wanted a relationship with Christ!

The big priority all year long, but especially these first few weeks of the year, is to sit down, face-to-face with and talk about Jesus and the gospel with all interested. Be praying for that. A number of students have already prayed to receive Christ this year and have gotten involved in Bible studies. But so many on campus show little interest. Yet we've seen that change before and invite you to pray for the Spirit to do the work we can't to draw people to Christ.

Thank you for journeying with our family as we travel to retreats, conferences and activities at various campuses to reach students and make Jesus know among the nations. We couldn't keep this up without you!

## Please join us in prayer...

Pray for the new believers going through follow up to be firmly grounded in God's word.

Pray we are able to sow broadly on campus and meet with many students to talk about spiritual things. Access to students has become more limited over the years.

Pray for the students and staff we invest in to grow and walk with Jesus well and bear rich fruit in ministry.

Pray for Julia as she's now a freshman at Memorial High. She seems to be doing well with classes, friends, and lots of volleyball.

Pray our family loves the Lord and each other well.

Pray for these upcoming events:

Sept 27: Men's Beast Feast

Sept 27: Women's Progressive Dinner

Oct 5: Madison Aruna Run to help bring freedom and the gospel to female sex slaves in India

Oct 11-13: UW-Whitewater Fall Retreat

Oct 18-20: UW-Madison, Edgewood College, Madison College Fall Retreat

Nov 8-10: Legacy Conference for ethnic minorities

Nov 15-16: Southern Wisconsin Life Options for juniors and seniors

Nov 22-30: Mission Trip to the Middle East
