

Changing Lives in Motorsports

We are not ashamed of the Gospel of Christ
Romans 1:16

Greetings in the name of Jesus,

As we start getting up to speed in this new racing season God has been putting the plans in place for some time. We have already logged many miles in our effort to embrace those plans and reach out to the racing community. Thank you for your dedication and commitment in partnering with us to reach the racing community.

We have been given a great opportunity to touch the lives of people in places where we have never been before. We have embarked on a great challenge in accepting the invitation from The World Racing Group to help provide chaplain services to their touring series; WOO Sprint Cars and Dirt Late Models. We are partnering with Finish Line Chaplains

and MRO to make every effort to serve the World of Outlaws demanding schedule. To that end Steve Fowler of Jesus First Racing, has come on board and joined the team. Steve resides in Montana and has already worked along side during Speed

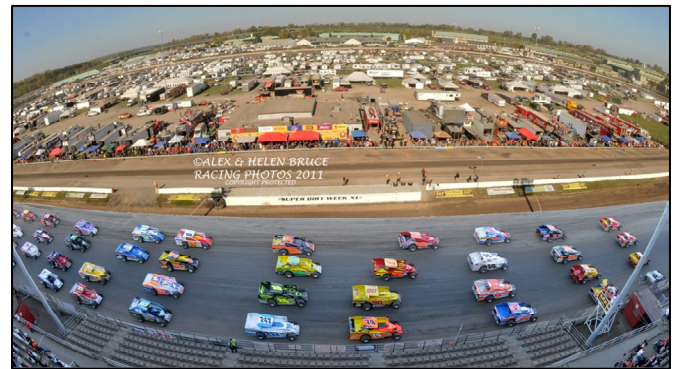

Weeks. We are excited about what the season holds.

God continues to assemble a great team to accomplish His Plan. In Isaiah 6 God asks, "Who shall I send?" Isaiah answered, "here am I send me." It is with a willingness to serve God on our hearts that we go.

Racing with Jesus Ministries has solidified our presence on the Valenti Modified Racing Series, Bobby and Vinetta Somers will head that effort. While Tara Stoehr leads out for the Northeastern Midget Association with the help of Deb Marvuglio. Look for them to come together and lead chapel on Palm Sunday at Waterford Speedbowl.

Matthew 9:37-38; He (Jesus) said to his disciples, "The harvest is great, but the workers

are few. So pray to the Lord who is in charge of the harvest; ask him to send more workers into his fields."

Racing with Jesus Ministries goes out all across America; each track functions as our meeting place and the drivers, teams, officials, and fans in attendance are the ones we serve. We stand beside them with prayer, pit side

chapel services and weekly published Bible teaching. We are committed to helping all find saving grace in the love of Christ as we provide a way for those in the racing community to have a personal relationship with Jesus Christ.

Romans 10:14-15: How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And

how can they preach unless they are sent? As it is written, "How beautiful are the feet of those who bring good news!"

As we follow God we accept new responsibilities and discover the need for additional resources. We share with you some of our needs with the hope that God has put it on your heart to partner with us.

Travel expenses continue to be the greatest draw on resources. The ever expanding race calendar has us in several different locations each week. As God adds to our numbers we need to provide a safe travel environment. We have immediate needs in this area.

As we visit many new places and return to familiar places it would help to have a place to hang our hat at each track. An RV would save on hotel costs and allow us to minister one on one in a private setting. Having this resource would help us meet the increasing needs of those we serve. It would also allow us to be more flexible in our travel plans.

Our pace cars have become an icon on the highways and byways of the countryside. We have heard truckers at the local truck stop recount the different places they have seen them. They serve a purpose in attracting attention to

the name of Christ. They are also a useful tool as we go and speak at various gatherings in different communities. As such they do receive many miles and are in need of updating.

There are other opportunities for you to partner with RWJM; we could use a trailer for storage and transporting ministry items to and from events. That will allow us the flexibility to better manage our apparel items and have them readily available wherever we go.

Another opportunity that would provide us travel flexibility is an open car trailer to haul the pace car with us behind the RV. We could also use a fuel sponsor, a lodging sponsor and the opportunities are only limited by our imagination.

All these opportunities bring with them exposure for those who partner with us. We enjoy sharing with others about those who have been so generous to provide resources to us and the life changing moments with those who stand along side, encouraging us and lifting us up in prayer.

These are some of the many needs we have as we embrace the mission field that God has revealed to us. We stand ready to serve and promote those who come on as partners with us. We are a 501c3 charity registered with the IRS and any gift we receive is eligible for a full tax deduction.

Please pray about how you might partner with us and expand our ability to bring the Gospel of Jesus Christ to the racing world. Pray that God would provide the additional resources that will be necessary to take this ministry where He is leading us. We are excited as we look ahead. We are able to see God's plan unfold before us. Pray that we would honor God in all that we do.

In His Service, Rev. Don Rivers
