

Changing Lives in Motorsports

We are not ashamed of the Gospel of Christ
Romans 1:16

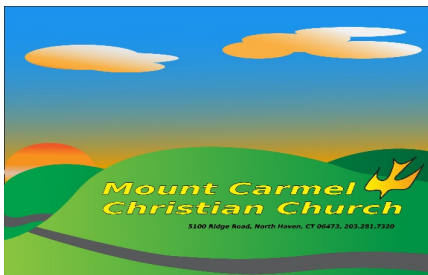

Greetings from RWJM

As we continue our walk with God our faith increases. As our faith increases we see the hand of God in our daily life. I wanted to share with you how God's hand continues to be on Racing with Jesus Ministries. Thank you for your partnership and support.

In all things we must maintain our integrity, our faith in God. Paul shared what he had learned;

Philippians 4:12-13; I know how to live on almost nothing or with everything. I have learned the secret of living in every situation, whether it is with a full stomach or empty, with plenty or little. For I can do everything through Christ, who gives me strength.

The message is that the hand of God enables us to be content no matter what the circumstances are around us. We are thankful the hand of God has been on Racing with Jesus Ministries.

It is with great excitement and praise that I share this. God is working to move Jesus Ministries to places that only He could envision. We

have received the donation of Mount Carmel Christian Church, furnishings and property. Truly a generous donation that will change the future of this ministry. We now have a home base and a Church to extend the ministry we provide at the track.

The blessing is one I believe Rev. Pat prayed for, a building for RWJM to minister, teach and counsel from. A brick and mortar location as a base of operation. This exceeds any expectation we could have had. This will also provide many opportunities for us to expand our support base.

Praise God for His indescribable gift!

If you happened to keep up with us on Facebook you saw how God's hand has provided a place to work from at the track. We have been blessed by having an RV at the racetrack this year for the multi-day events. The generosity of Steve and Trudy Craig is a blessing. Again this is something that Rev. Pat prayed for and we now see the hand of God provide.

Our ability to have a hospitality area that you can stop by and talk is another way we can extend the ministry we provide. Many of you waved, stopped by, sat down, talked and received counsel and prayer. We welcome the opportunity to be there for you all.

Part of that provision is your generosity and support. Many of you have been faithful monthly supporters of RWJM. With our ministry being extended it also extends our resources. We have an immediate need to cover some of the startup expenses of bringing new facilities online. We would ask you to consider helping us as God would lead you. We know God has what we need as we put our trust and faith in Him. His word encourages us to ask, seek and knock, then the door will be opened.

Your help will change the face of this ministry and the future for many in the racing community. Thank you for your consideration.

In His Service,

Rev. Don
