

DRIVING FORWARD FOR JESUS

Greetings from your friends at Racing with Jesus Ministries. As we enter the heart of the 2025 season we can see the hand of God leading us. He continues to grow our territory and expand our reach. He does that by enabling us to be in more places at one time. God has been faithful to add workers to the harvest. We can only do this with you alongside. Thank you all for your continued support.

As we prepared for the 2025 season with our Winter Pit Stop we reflected on 45 years of Ministry. To me, that is a tremendous testament to the power of God to keep us

going even when we couldn't see how it was possible. What Rev. Pat started, RWJM, has continued. He laid a good foundation that we continue to build on. This month I celebrate 20 years as president, guiding the ministry that God has built through us to the racing community.

We have been busy. We have rolled out a new

custom witnessing tool, The Gospel of John,

thy good and faithful servant.

In its place we added a vehicle

covered over 500 Dirt and Asphalt touring races in addition to the dedicated Chaplains that serve the local tracks each week. We cannot do that without being prepared.

"Don't you realize that in a race everyone runs, but only one person gets the prize? So run to win! All athletes are disciplined in their training. They do it to win a prize that will fade away, but we do it for an eternal prize. So I run with purpose in every step. I am not just shadowboxing. I discipline my body like an athlete, training it to do what it should. Otherwise, I fear that after preaching to others I myself might be disqualified." 1 Corinthians 9:24-27 NLT

We know we couldn't do it without your continued support. Thank you again for your partnership. Please continue to lift up our chaplains. Pray that we would find favor with those who desire to know the saving grace that Jesus offers. Run the race in such a way as to win, throw off everything that hinders and focus on Jesus.

You will notice we have stylized the ministry name. Thanks to Diego at Critical Gear for the design.

We also had to say goodbye to an old friend, the 2007 Ford Fusion that represented my first pace car as president has been retired with over 330,000 miles. Well done

we can use when we need to transport people at the track as the need arises.

We are prepared to run in such a way as to win! Last year we
