

Greetings in the name of our Lord and Savior, Jesus Christ;

As the race season enters the home stretch we look back and see all we were able to do because of our faithful supporters. Your willingness to stand alongside and encourage our efforts have made this one of our most successful years. Thank for your dedication to us. We can only look forward knowing you are standing with us, Thank you.

As you may remember we had a training session in the off season and the added help has been beneficial. Of those attending the training we have been able to get each one out to the track in a supporting role. We have also been able to engage some of these new chaplains in leadership roles at the track. Those efforts have given us a promising outlook in the future. Thank you for making that possible.

When the season started we had a daunting travel schedule. We were able to come through that in good shape. When the local scene got rolling it was a blessing to get some new feet on the ground to start building the

relationship process. In a few short events one of our new Chaplains, Tim, expressed how welcome he felt by the racers and that some even knew his name. That is a testament to the many years of effort and service our dedicated chaplains have put forth. We have been blessed in building a reputation of trust and integrity. Like the Scripture reminds us, so many have gone before us and built a witness that when we follow there is an expectation of integrity and service. We are able to move forward because of your provision.

This season hasn't been without its share of challenges. We have had to spend some time alongside some of our community as they received treatment for incidents that

occurred at the track. One of the greatest gifts we can provide is our time, standing alongside, walking with someone through difficulty. Their response lets us know that our presence is an encouragement. Our willingness to be there means so much to them and their families. That is why we go. Without your continued support we wouldn't be able to be there. There would be vacancies in these lives. They wouldn't have the support of someone they know and trust. You have allowed us to spend the time to

build and strengthen our relationships with those in the racing community. That has put us in the places we need to be, in their time of need, in their time of searching, in their time of celebration they have someone alongside them.

I am so thankful for each of our Chaplains

who give sacrificially to the Lord's work. Together we are all touching hearts and building lives up.

Pray that God would continue to provide the resources we need. We are excited as we look ahead. Your support allows us to see God's plan unfold before us, Thank You! Pray that we would honor God in all that we do.

In His Service, Rev. Don Rivers
