

Changing Lives in Motorsports

We are not ashamed of the Gospel of Christ
Romans 1:16

Thanks be to God for his indescribable gift!

Let me share with you how you have changed the lives of God's children. Your faithful support of our efforts enabled us to be there for the racing community. Your dedicated gifts to our ministry has allowed us to comfort, council and lead others to know the saving grace of our Lord and Savior.

It has been a trying year on one front. The racing community has suffered the sudden loss of pillars that supported the racing family. From Howie Hodge to Jack Williams to Ted Christopher there has not been a shortage of sadness to bear. You have made it possible for us to be there, by the side of the families and all those who were affected by these losses. We have been able to walk alongside those in tremendous grief and hold them up through the difficult process of saying goodbye. Thank you for giving which has allowed us to give to them.

On another front we have welcomed new lives into the family. The Pitkat and Santos families will soon dedicate their sons to the Lord. The families will gather for a christening that we will officiate. You have made it possible for us to be a part of that.

You have also enabled us to come alongside those seeking to change the direction of their lives. A young K&N Pro Series driver accepted Christ after a recent chapel service. Also a long-time car owner has taken that step and trusted Jesus.

As ministers of God we have been a part of new families being built as we joined two lives in Holy Marriage. They have the right foundation to build on because of your gifts.

Without your continued support there would be vacancies in these lives. They would not know where

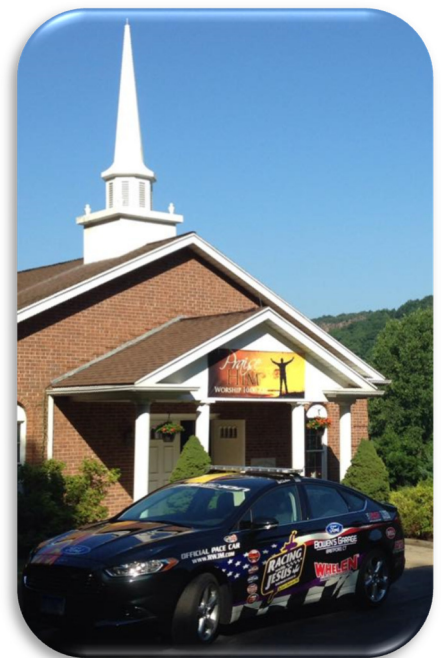

to turn when they needed help. They would not have the support of someone they know and trust.

You have allowed us to spend the time building and strengthening relationships with those in the racing community so that in their time of need, in their time of searching, in the time of celebration they would have someone to walk alongside them.

The scripture encourages us to pour ourselves out as an offering to God. We could not do that without first being filled up. Your support fills us and allows us to pour out that blessing on those who need it most.

Our needs are real, lives are being saved. Hearts are being touched. Families are being built up. Thank You!

Romans 10:14-15; How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And how can they preach unless they are sent? As it is written, "How beautiful are the feet of those who bring good news!"

Please pray about how you might increase your partnership with us as we go out to the racing world. Pray that God would continue to provide the resources that we need. We are excited as we look ahead. Your support allows us to see God's plan unfold before us. Pray that we would honor God in all that we do.
