

Merry Christmas from your friends at Racing with Jesus Ministries,

As 2016 comes to a close let me share with you what your contributions have accomplished at Racing with Jesus Ministries. Your support has produced promising results. Thanks to all of you who faithfully provided resources. You have enabled this ministry to continue to impact the racing community. May God's blessing be with you.

The Holy Spirit's leading encourages us to reach out even more as the Lord reveals His will. He has shown us many opportunities and avenues that need to be explored.

Your commitment enables us to move forward with hope and faith as God reveals His plan.

Your support has allowed us to accept the invitation from ROC Asphalt and Dirt series expanding our reach to a new area.

You have allowed us to add more chaplains and reach more local tracks.

Throughout this past year you have made a tremendous impact on lives that would not have been reached. Our resources have been extinguished. Going further has put us in a position of needing your help. You have directly affected the lives of many and the fields continue to be white with the harvest. As God directs and guides this ministry, He has used your help to allow us to continue in faith. He has called you alongside to walk this road with us; providing.

At the end of this year's road the increased effort and added mission fields has created a gap to fill. Your help is needed. Would you consider making a one-time year-end gift to fill the gap and enter the New Year with a clean slate? Your help would make a tremendous impact in 2017 and beyond. Invitations to go to new places and reach more people are still being received. You can help reach those new frontiers.

Thank you for being partners in spreading the Gospel.

*Luke 11:9-10; "So I say to you: Ask and it will be given to you; seek and you will find; knock and the door will be opened to you. For everyone who asks receives; he who seeks finds; and to him who knocks, the door will be opened.*

Your prayers and support have provided encouragement for each of us and they have helped us reach further. We now ask for you to double the effort and make the battle for lost souls possible.

Thank you for considering this request, any efforts you make will be richly rewarded in the lives that are changed by the love of Christ.

We extend the wish for a very Merry Christmas and a prosperous New Year from all of us here.

Serving in His Name,

Rev. Don Rivers
