

Changing Lives in Motorsports

We are not ashamed of the Gospel of Christ
Romans 1:16

Greetings from RWJM

It has been some time since I last sent out an update. 2016 has been a very busy and productive time for us. We keep receiving requests for our services and are looking to add additional workers. I am excited to share these developments with you. Thank you for your continued partnership and support.

God has opened many doors for us it is hard to contain our excitement. But with the added responsibility comes the necessity to fulfill our commitments. To be honest I cannot see where God's provision is coming from, but I know He has the resources to draw from. Paul shared what he had learned;

Philippians 4:12-13; I know how to live on almost nothing or with everything. I have learned the secret of living in every situation, whether it is with a full stomach or empty, with plenty or little. For I can do everything through Christ, who gives me strength.

God is the provider of everything we need to walk in His will. We are thankful the hand of God has been on Racing with Jesus Ministries.

Mount Carmel Christian Church continues to make an impact in the community as well as serving as a home

base for us, extending the ministry we provide at the track. We had our second annual Wheel & Prayers event. A time when the Church and Racing communities come together. We had bounce houses for the kids, outdoor worship, race cars and of course good food. Our hope is

that this annual event helps encourage and support our efforts.

We recently received this reminder of where we have been from a longtime supporter. It will be with a hood from a RWJM pace car, finding a home in the North East Motor Sports Museum. Thanks to the curator for honoring the role we have played in serving and ministering to the racing family.

God has added help to achieve our desire to provide counseling services beyond the track for the racing community. Eric Johnson comes onboard with RWJM to help knit together a safety net for our chaplains and those we serve. Thanks go out to those whose generosity made this a reality.

A big part of God's provision is your generosity and support. Many of you have been faithful monthly supporters of RWJM; thank you. We know God has what we need as we put our trust and faith in Him. His word encourages us to ask, seek and knock, and then the door will be opened. Please consider sharing this with your Church or others who want to see the Gospel preached to the ends of the Earth. Have them contact us and we will share with them how they can be a vital part of this ministry.

Your faithful help will change the face of this ministry and the future for many in the racing community. We will continue to go in the name of Jesus, making disciples, teaching and baptizing. Your partnership makes all the difference in the world, it will change lives in Motorsports. Thank you for your consideration.

In His Service, Rev. Don
