

**Dear Friends;**

**As we finish another year we celebrate the new birth of those in the racing community that have given their lives to God through Jesus. We know that this would not be possible without your dedication and support of Racing with Jesus Ministries. Thank You for standing by us.**

**We continue to be welcomed into the racing community and find many who are responding to our presence at the track. Your support helps keep our presence and ministry alive and vibrant.**

**Reflecting on the past year I recall lives that were changed. I remember a man who is near the end of his life here on earth but now has eternity with God to look forward to. With tears in his eyes he asked for forgiveness and in that moment was welcomed into the family of God.**

**Another man, young in years approached and asked for guidance and accepted Christ as his Lord and Savior.**

**We do not know when or where, but we need to be available, anytime, anywhere.**

**As you may know RWJM comes to the end of each year with a deficit. We strive to minister without being a burden to those we serve.**

**We find ourselves in a very difficult financial position that has challenged our ability as an organization to continue. We believe it is just a temporary situation but are asking for your help.**

**I wanted to share this with you because we are partners in serving the racing community and together we provide the framework for that to continue. We have made efforts to overcome this obstacle but have not been successful. I ask you to consider helping in any way possible. I hope to be able to look back and see how we came together in mutual support to continue serving the racing community.**

**Thank you for allowing me to share and taking the time to consider how you might be able to help.**

**Praying the Joy of this Christmas season fills your heart with hope, peace and love!**

**Rejoicing together, Rev Don and the Racing with Jesus ministries family.**
