

Changing Lives in Motorsports

*We are not ashamed of the Gospel of Christ
Romans 1:16*

Greetings in the name of Jesus,

The season is at full speed and many opportunities have been presented to touch people's lives. Doors are being opened to serve more and more people. You are a vital part of our ability to meet the needs of the people God leads us to. Without your support we would have to say no. Thank you for your dedication and commitment in partnering with us to reach the racing community.

Last season with your support we were able to cover 11 K&N Pro Series races and 16 Whelen Modified Tour races for NASCAR. We covered several World of Outlaw events along with several ROC Modified events. We continue to serve several tracks with local chaplains.

We are touching the lives of people in new places. We have been given a greater role in people's lives away from the track. Through the building of these relationships we have become a more vital part in the lives of those we serve.

God continues to call together a great team and has added new workers to the field and new places to minister.

Romans 10:14-15: How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And how can they preach unless they are sent? As it is written, "How beautiful are the feet of those who bring good news!"

As we follow God and serve others we are in need of your help. Travel expenses are growing. We have bills that need to be paid. The ever expanding race calendar has us in several different locations each week. We need to

provide a safe travel environment.

Additional needs arise as we embrace the mission field that God has opened to us. We have been through difficult times before but at this time we are in a crisis. We are in need of generous and immediate help. Please pray about how you might partner with us and support our efforts to bring the Gospel of Jesus Christ to the racing world. Pray that God would provide the resources that we need to continue. We are excited as we look ahead. We are able to see God's plan unfold before us. Pray that we would honor God in all that we do.

We also stand ready to serve and promote those who come on as partners with us. We are a 501c3 charity registered with the IRS and any gift we receive is eligible for a tax deduction.
