

We are not ashamed of the Gospel of Christ Romans 1:16

Greetings in the name of Jesus,

The 2011 season has brought us to many new places, we have met many new people along the way and we are not finished yet! Our reach continues to expand and we have added several new workers in the field. Not only have we added new frontiers, we have been able to increase our impact where we currently have a presence. We are encouraged by the increase in the people requesting prayer for guidance in their lives. God has opened the hearts of many to receive His message of salvation. Thank you for your participation and partnership, this ministry exists because of your prayers and generous support.

In addition to being at the track God has provided the opportunity to participate in events away from the track, helping local churches as they reach out through Vacation Bible Schools. The theme for many this year has been "Rev it Up, Full Throttle for God"! Through this effort we have been able to introduce children, parents and Church leaders to our mission and have seen many come to embrace the love that Jesus has for them.

Requests continue to come in for our services as people realize the impact our presence at the track can have. We have heard over and over again from the racing community how much they appreciate us being there. They have made a point of stopping and thanking us. It is encouraging when a racer pulls away from working on his car, wipes off his hand, extends it to you and says thanks for being here; we really need you out here. We are making an impression on their hearts.

We have several invitations to provide the presence of God at the track and on the road, but we need you. If God continues leading as He has, the reach of the Gospel to the racing community will expand tremendously. As I write to you my heart aches with excitement over the plans that God has for this ministry.

We have stretched ourselves and are in need of help; recent events have made this a financially difficult time for RWJM. We have been working diligently to broaden our support base and we know that God's hand is in all of this. In turn, as we grow our need for resources also grows. As His word reminds us; *Matthew 7:7 "Ask and it will be given to you; seek and you will find; knock and the door will be opened to you."*

God has opened many new opportunities for us. It is clearly His hand and His work. We are confident He will see it through to completion. We also know He has called you alongside to help us on this mission. I ask you to prayerfully consider how you might be able to partner with us and make a gift of support to make these opportunities a reality.

To borrow from the VBS curriculum we hear the message of hope loud and clear; *1Corinthians 15:5; But thanks be to God! He gives us the victory through our Lord Jesus Christ.* Victory is most assuredly His, and He will accomplish His Will.

Please won't you join with us in being a part of God's desire to reach those who need to hear the Good News?

Romans 10:14-15; How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And how can they preach unless they are sent? As it is written, "How beautiful are the feet of those who bring good news!"

Thank You and God Bless,
Rev. Don Rivers
