

# Changing Lives in Motorsports

We are not ashamed of the Gospel of Christ  
Romans 1:16

*Greetings in the name of Jesus,*

The season is at full speed. As opportunities present themselves we find ourselves serving more and more people. Thank you for your dedication and commitment in partnering with us to reach the racing community.

We have been given a great opportunity to touch the lives of people in places where we have never been before. We have had a greater role in people's lives away from the track. Our efforts to build relationships have

made us a vital part in the lives of those we serve.

We continue to build our network of Chaplains as we fulfill our outreach to The World Racing Group, providing chaplain services to their touring series; the WoO Sprint Cars and WoO Dirt Late Models.

God continues to assemble a great team; we have added several new workers to the field. We have also added new places to minister and the requests keep coming in.

*Romans 10:14-15: How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can*

*they hear without someone preaching to them? And how can they preach unless they are sent? As it is written, "How beautiful are the feet of those who bring good news!"*

As we follow God and serve others we are in need of your support. Travel expenses continue to be the greatest draw on resources. The ever expanding race calendar has us in several different locations each week. As God adds to our numbers we need to provide a safe travel environment. We have immediate needs in this area.

Additional needs arise as we embrace the mission field that God has revealed to us. We stand ready to serve and promote those who come on as partners with us. We are a 501c3 charity registered with the IRS and any gift we receive is eligible for a tax deduction.

Please pray about how you might partner with us and support our efforts to bring the Gospel of Jesus Christ to the racing world. Pray that God would provide the resources that we need to continue. We are excited as we look ahead. We are able to see God's plan unfold before us. Pray that we would honor God in all that we do.
