

Christmas Greetings from all of us at RWJM,

As we conclude our 44th year of ministry we are grateful for the support and dedication of each of you. There are many things that have come and gone in the last forty plus years but we are still standing, alongside those in need, continuing to serve our Lord because of your prayers and support, Thank you.

As we reflect on the end of the 2024 season we see God still moving, still prompting us to reach farther. We have covered over 500 races across all surfaces this past year and we have received requests to add to that. Not only cover the races, but take a bigger role in the race day. One touring series has asked us to coordinate the invocation for all of their events. That in itself will be a giant step forward on faith. God has been faithful to add workers to the harvest but we can only do this with you alongside. Please seek God's guidance and direction as to how you can provide in a greater way as we head into our 45th year.

Romans 10:13-16; NLT; For "Everyone who calls on the name of the Lord will be saved."

But how can they call on him to save them unless they believe in him? And how can they believe in him if they have never heard about him? And how can they hear about him unless someone tells them? And how will anyone go and tell them without being sent? That is why the Scriptures say, "How beautiful are the feet of messengers who bring good news!"

As the new season presents itself with new challenges the question remains for us to answer. What will be said of us? What will be said of our efforts? Who will people say we served?

We will serve the Lord.

Your prayers are coveted as we venture into the larger mission field God has revealed for us. Our hope is in Him who sent us and you who support us.

Thank you again for your partnership. Please continue to pray for our efforts. Pray that we would find favor with the sanctioning bodies, race tracks and promoters as we search for those who desire to know the saving grace that Jesus offers.

Merry Christmas & Happy New Year,
Rev. Don Rivers and the entire RWJM Team
