

We are not ashamed of the Gospel of Christ Romans 1:16

Greetings in the name of Jesus,

It has been a while since we have had the time to write. The race season is in full swing and we have been on the road for five months now. Exciting things are happening and you are a part of that. We are spreading out and reaching a larger race community, thank you for your dedication and commitment in partnering with us to spread the Good News of the Gospel.

We redesigned our website and are now back online. We still have some work to do on the photo galleries but the foundation is there. I would like to thank my daughter, Elisabeth, for working so hard to get it together and rolled out. Take a look and let us know what you think. You will notice something else we completed, a video. Take the time and watch it on the Who We Are page. www.rwjm.com.

We have added a new Chaplain at Riverhead Raceway on Long Island. Pastor Scott Kraniak and his son Jacob have come on board to serve at "The Head". Scott has already made an impression with his Mercury Comet and a burn out at the start/finish line. God has prepared the field for them and they are being welcomed with open arms.

I have been thinking about the mission field lately and how we can reach out to as much of the racing community as we can. God has started to show us His plan. With the addition of Scott and other examples of God's hand guiding us, we are looking forward to what He has in store for us. The trips get longer and the breaks are fewer, but God has remained faithful and provided the resources we need to continue.

Please continue to be in prayer for us as we travel. It is not only stressful on us but our families who remain at home. Pray that God would provide the additional personnel and resources that will be necessary to expand our reach in the racing community. Pray also that we would let God lead us, that we would honor God in all that we do and that we have the trust and faith to go out and minister.

In Isaiah 6 God asks, "Who shall I send?" Isaiah answered, "here am I send me." We need to have the spirit in our hearts that lets us answer God in the same way. We cannot count our own plans as greater than God's plans. I encourage you to evaluate your heart, is it ready to follow God? If not ask God to help you change your priorities. Only when we walk in His will, will we see His abundant blessings.

Again, Thank you for your continued support, both in prayer and financially. It is your willingness to give that makes this all possible. Please do not hesitate to share with us your prayer concerns. We are always available to pray with you and to help you through the challenges life brings your way.

Thank You and God Bless,
Rev. Don Rivers
