

Changing Lives in Motorsports

We are not ashamed of the Gospel of Christ
Romans 1:16

Greetings in the name of Jesus,

It has been a while since I have updated you on our journeys. 2012 has seen us take on more opportunities for ministry than any year previous. We have developed partnerships with other ministry organizations that have further increased our effectiveness. God continues to open the hearts of many to receive His message of salvation. Without your dedication and support none of this would be possible. Thank you for your participation and partnership, this ministry exists because of your commitment to us and to the ministry of the Gospel.

We continue to add workers in the field and through the partnerships we have nurtured we have been able to reach people in places that up to now were beyond our capacity. We have been able to support, guide and lead others in their efforts to minister. The encouragement we have been able to provide has helped others grow and continue on.

One of the greatest gifts you can receive is the knowledge that your efforts do not go unnoticed. On many occasions I have received encouraging notes from those we serve about the efforts of our ministers. One note shared with me was about a driver who refused prayer each week even though he was asked. He stopped one of our Chaplains and shared,

"I know you both have asked me many weeks about praying and I appreciate that. I have heard all over the Pits how great it is to have you here and the comfort you provide as well. Thanks for being here!"

As I write to you my heart is overflowing with excitement over the plans that God has for this ministry. It is clearly His hand and His work and we are confident He will see it through to completion. We also know He has called you alongside to partner with us in this mission. I ask you to prayerfully consider how you might be able to partner with us to provide and support us to help make these opportunities a reality. Please won't you join with us in being a part of God's desire to reach those who need to hear the Good News?

Proverbs 3:5-6 Lord, (we) trust in you with all (our) heart and (we) won't rely on just what (we) understand. In all (our) ways, (we) will rely on You, because you will direct (us) in the way (we) should go.

Thank You and God Bless,
