

FUELING VICTORIES IN CHRIST

Greetings from your friends at Racing with Jesus Ministries. As our 2022 season winds down it has been a very busy time. We have covered more races and events this past season than ever in our history. Thank you all for your continued support.

Scottie Frazier

We have traveled a great deal to spread the Gospel. As the leader of the dedicated men and women that serve the racing community, I receive the requests from those we serve. The requests keep coming in! Requests to have chaplains with Series, requests to have chaplains at local tracks, requests from people who want to join us and serve the racing community.

We have experienced some highs and lows this season. While we grieved the untimely passing of Chaplain Scottie Frazier, God has also increased our presence by adding new local chaplains and confirming the appointment of a new chaplain late last season. We welcome Robert Sly and his wife as our representatives at Evans Mills in upstate NY and Jay Singleton at East Alabama Motor Speedway in Alabama.

God is still in demand and the racing community desires His presence with them. That is tremendously encouraging. We are challenged to make the connections necessary to fill all the requests. We have covered over eighty Asphalt touring events this year with a few still left on the schedule. The dirt side expanded that number into the hundreds. Add to that our local presence with chaplains who serve a weekly

racing program and we begin to have a complete picture of the community we serve. What may seem an overwhelming task isn't with God involved. He has a plan and it is good.

One example is Wall Stadium. God provided someone to carry the torch after Bob Menschner's passing, Tom Simmons, someone led by God to contact us and see if there was some way he could help. He has, along with Bob's brother Will, made a tremendous impact there and the ministry has continued to flourish.

God has a plan and if we continue to walk with Him, we will see His plan revealed. I encourage you to reconnect with Him and help keep us following His plan.

We have opportunities for those God has called to serve Him in this capacity. We are always amazed at how God moves and connects people with us. I want to encourage all of you who read this, God is still here, He is still working, and He still loves you more than anything. Despite what you see and hear God is on His throne. I was reminded of the promise we received through the prophet Jeremiah;

Jeremiah 29:11-13, For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future. Then you will call upon me and come and pray to me, and I will listen to you. You will seek me and find me when you seek me with all your heart.

Please continue to lift us up in your prayers as we seek God with all our heart. God continues to use this ministry to proclaim the Good News! Thank you for your continued help in making that possible.

In His Service, Rev. Don Rivers and the entire RWJM Team
