

# Changing Lives in Motorsports

We are not ashamed of the Gospel of Christ  
Romans 1:16

## Greetings from RWJM

The 2015 season is underway. We have had the opportunity to spend time welcoming old friends and begin building new relationships. Those efforts wouldn't be possible without your support. Thank you for partnering with us as we bring the Good News to racetracks across the country.

As we look forward allow me to share with you some preparations we have been working on. While in Florida at Speedweeks we led a training session for four new chaplains. We have increased our presence and influence at the local tracks there.

We also continue to connect to more people as the drivers we serve move on and up to different divisions. In addition we are presently considering invitations to serve several existing touring divisions. All this lets us know God is at work and we need to join Him. As we minister with God as His servants would you join us by supplying the resources needed to explore these new opportunities?

Let me update you on our effort to enter 2015 debt free. We asked for your help in eliminating debt we incurred during the race season. We fell a little short of our goal, but with your help we reduced the debt and entered 2015 in better financial shape. Thank you, as we continue to strive for that goal.

We continue to see the fruits of our labor come back to

us. We learned recently of a crew member accepting

Christ as her Lord and Savior. Even though it has been a few years since we have seen her it was good to hear that she credited what she heard from us as a confirmation of what she needed to do. We recently heard from another team who asked us to offer a special service for a lost loved one. Another opportunity to share away from the race track about the hope we have in Christ.

We have tried to heed the words of our Savior; *John 15:5* "Yes, I (Jesus) am the vine; you are the branches. Those who remain in me, and I in them, will produce much fruit. For apart from me you can do nothing.

We are connected to Jesus because of His sacrifice for us. We are connected to the racing community because of His calling. We are thankful that God has asked you to partner with us. Please remain connected with us and come along for the ride as we serve our Lord.

In His Service,  
Rev. Don
