

Greetings from your friends at Racing with Jesus Ministries. Things are getting back to normal at a feverish pace. We have had an overwhelming schedule since tracks have started to open up. Thank you for your continued support.

people drawn to our Lord. God is moving in the racing community!

Someone opened the floodgates. It seems everyone, including the racing community had enough cabin fever. The racing calendar has been full and our chaplains have been on the road with very few breaks since late April. We are

As I have been teaching through the book of Acts there is a recurring theme of togetherness. The early church was together, united by the Holy Spirit, to accomplish the things of God.

blessed as our chaplains have been extremely flexible. They are traveling and serving in places far from home. God has called very dedicated servants to fulfill His mission for us here at Racing with Jesus.

Acts 2:42-47;(paraphrased) All the believers (over 3,000) devoted themselves to the apostles' teaching, and to fellowship, and to sharing in meals (including the Lord's Supper), and to prayer. And all the believers met together in one place and shared everything they had. They sold their property and possessions and shared the money with those in need,... all the while praising God and enjoying the goodwill of all the people. And each day the Lord added to their fellowship those who were being saved.

It has been sometime since I have written and I ask for your forgiveness. It has been a challenge to keep up with things as we continue to grow. We have grown, added new chaplains, renewed acquaintances with past chaplains and are trying to balance the needs of the racing community with our available resources. We now have over Twenty-two dedicated chaplains and several loyal lieutenants that come alongside when we need additional help. God has added to our number.

Together we will rise above the schemes of man to bring the Good News to all. We are thankful for your part in all of this.

This is a good challenge! Even with the addition of several new chaplains we have requests from tracks and touring series for more. There has been a revival of sorts because of the recent events and we are seeing more and more

We continue to see lives touched and changed. We have been stretched and shaped by God. Please lift up our chaplains that we would continue to be flexible and go where God has directed. Pray that we would have the resources we need to be where God has guided. Pray that we would find favor with those who desire to know the saving grace that Jesus offers.

In His Service,
