

**Dear Friends;**

**As we finish another year we celebrate the new birth of those in the racing community that have given their lives to God through Jesus. We know that this would not be possible without your dedication and support of Racing with Jesus Ministries. Thank You for standing by us.**

**We continue to be welcomed into the lives of many in the racing community and find many who are responding to our presence at the track. Our efforts go further each year and we continue to add workers on the field.**

**Reflecting on the past year I searched for a defining moment that spoke volumes about what we are being called to do. It occurred early in the year in Florida. We had just welcomed a new chaplain onboard and he served at Bubba Speedway Park in Ocala, FL. Tragedy struck as a young racer lost her life in an accident. God had his man stationed there to walk alongside the family and the racing community to help them in their time of grief. God does amazing things through us if we just join Him where He is working.**

**As some of you know we come to the end of each year with a deficit at RWJM. We do not deny any request for our presence and never use the cost as a reason for not going. That does put a strain on our resources. We usually have more month at the end of the money.**

**We have put a challenge out there for you to help. We would like to enter 2015 even; no debt. Every contribution will help us continue to serve the racing community. If you have benefited from our efforts please consider partnering with us. A one-time donation or a monthly commitment will make it possible for us to be there for each of you in your time of need. Thank you for considering this request.**

**It has been a tremendous blessing to represent you on the mission field. We have touched more lives, guided more decisions and brought the Gospel to more places than at any time in our history. Please continue to support what we do. Tell others about the work that we do and encourage them to lend their support. We are so thankful for our many long time supporters; both financially and prayerfully!**

**In His service, Rev Don and the Racing with Jesus ministries family.**
