

Thanks be to God for his indescribable gift!

Faithful supporters provide the foundation for our efforts, they enable us to be there for the racing community. Your dedicated gifts to our ministry have allowed us to be where the Lord has called us, ministering to those who need a touch from God, fueling victories in Christ. We continue to be here, there and everywhere we are needed to stand alongside those who need the support, encouragement and wisdom that comes from knowing our Lord and Savior.

We continue to see the hand of God expand this ministry. During the offseason we conducted a training event for

new chaplains and those who were interested in joining. In the last year we have welcomed a half dozen new volunteer chaplains to our efforts. Thank you for making that possible.

Our season began during Speedweeks in Florida where six of us came together to minister to the dirt and asphalt racing communities at no less than six different racetracks; Screven, Volusia, New Smyrna, Bubba, Bronson, and Daytona to name a few. We traveled from California, Montana, and New England to be there. Our prayer is that those we ministered to were drawn closer to God.

From there we spread out across the country to cover the various series beginning their seasons. Myrtle Beach, South Boston, Bristol, Richmond, Hickory to name a few. Our chaplains have been faithful to God's call and instrumental in lives being changed and commitments being made to our Lord and Savior.

A passage in 3 John 13-14 explains our desire;

*I have much more to say to you, but I don't want to write it with pen and ink. For I hope to see you soon, and then we will talk face to face.*

Your support and gifts have allowed us to meet people where they are, face to face and share with them the good news of Christ. We have so many ways to communicate these days but face to face remains the

most effective. Without your continued support we wouldn't be able to do that. There would be vacancies in these lives. They would not know where to turn when they need help. They would not have the support of someone they know and trust. You have allowed us to spend the time building and strengthening relationships with those in the racing community so that in their time of need, in their time of searching, in the time of celebration they would have someone to walk alongside them.

I am so thankful for each of our Chaplains who give sacrificially to the Lord's work.

Together we are all touching hearts and building families up.

Please pray about how you might increase your partnership with us as we go out to the racing community. Pray that God would continue to provide the resources we need. We are excited as we look ahead. Your support allows us to see God's plan unfold before us, Thank You! Pray that we would honor God in all that we do.
