

The Selways

Clay & Emily

86% of Hindus, Buddhists, & Muslims have never met a Christian.
42% of the world's people groups* are considered "unreached."

1/3 of the world's population has never heard the Gospel.

These bleak statistics are something we are committed to being used by God to change. Several years ago, we began an overseas partnership in South Asia, known as Gateway**. Every year, we send several graduates and staff to this major city to share the Gospel with the local college students for a year or two at a time, and each summer we send a group of students to work with these long-term missionaries for six weeks.

God has been blessing and working in this hard to reach area, which is home to 12.5 MILLION of some of the least-evangelized people in the entire world.

Most of the students in this city have never personally met a Christian. Raised in Buddhist, Hindu and Muslim families, they often face great persecution and resistance from their family and friends when they choose to follow Christ.

Despite this, a number of students are still coming to Christ every year. This fall, Navya and Diya***, two women who recently came to Christ through our ministry, began sharing about Jesus with their friends and family, and invited them to a Bible study. Through their loving persistence, three women

have come to know Christ just this past month!

For Saanvi, Aanya, and Pari, the 3 new believers, this was a tremendous decision. Spiritual warfare is great, and the price of following Jesus can mean anything from ridicule to being disowned by their families. Please pray for these new believers as they grow and learn more about their new relationship with Christ. Most of all, please pray that they would find courage and boldness to share with their friends and family. **Their witness will be the greatest and most effective evangelization tool we have. Many of them come from unreached people groups. Some come from villages that have never, ever had access to the Gospel. We believe that God will use these students to reach those who have never been reached before!** Please join with us in praying for our partnership in Gateway, that God might use it to reach the world for His glory.

1. For Saanvi, Aanya, and Pari, that their faith would flourish and they would begin sharing their faith. Pray especially for protection from spiritual attacks and discouragement.
2. Navya and Diya, and other committed believing students, that they would continue to share Jesus and make disciples with boldness and courage.
3. For our missionaries in Gateway (Emily, Sam, Aaron, JT, Hannah, Katherine and Amy) that the Lord would protect and provide for them.
