

FAMILY UPDATE

ELLIOTT'S DEDICATION

At the end of February, we had the blessing of having Elliott dedicated at our church. It was a special chance to commit as his family, along with his extended family and his church family, to raising him in a godly home. He was prayed over by our pastor and our church, and then we had a small party after to celebrate.

FAMILY TIME

Elliott is now 9, almost 10, months old. This past month he and Emily took a trip to visit Emily's sister, Elliott's "Aunt Kate", who lives in NYC. She doesn't often get to see him or Emily, so it was a welcome chance for some family time.

Elliott is an energetic little boy whose personality is showing more and more every day. He's still our big guy (85th percentile in weight, 79 percentile in height!) and will definitely be walking soon.

With her abundance of free time (haha) Emily has been training for a triathlon, and Clay has taken on more responsibility on campus, all while doing some home renovation and repair - so we've been having to learn that tricky balance of work and family time.

PRAISE + PRAYER REQUESTS

- Praise God with us that Jodie (a student we've shared about and asked for prayer for several times since fall 2017) is once again walking with the Lord after a very rough fall semester. Please continue to pray for her as she works through doubt and struggles.
- Pray for our student leaders as they begin to select and train underclassmen to become next year's student leaders.
- Pray for our upcoming Spring Break trip to Panama City Beach Florida. We will be there for 7 days doing evangelism and hurricane relief work with a group of about 30 students.
- Please continue to pray for our international partnership locations in Ljubljana Slovenia, and Gateway, South Asia.
