

*Greetings from*

MILWAUKEE

WISCONSIN

We're so thankful to be at Cru25, our biennial staff conference held in Milwaukee! It's been a refreshing time of connection, training, and encouragement. We've loved gathering with other Cru staff from around the country to be equipped and reminded of our shared mission.

Thank you for being part of getting us here -- your support makes moments like this possible!

With gratitude,  
Clay and Emily Selway
