## Reaching Faculty with the Gospel

*"This past fall, I entered into a personal relationship with Jesus Christ."*

Cru at Ohio U  
May 28, 2015

This spring, at Cru's annual fund raising dinner for southeast Ohio, Scott Morrissey, the Men's Soccer Coach at the University of Rio Grande, shared how God had changed his life in front of a packed ballroom.

Scott Morrissey, Men's Soccer Coach at the University of Rio Grande (one of our expansion campuses), who came to know the Lord through Cru's influence this year.

*"My name is Scott Morrissey and I've been the Men's Soccer Coach at the University of Rio Grande for the last twenty-five years. Rio Grande is part of the Cru movement in southeast Ohio. This past fall, through Cru's influence, I entered into a personal relationship with Jesus Christ. This experience has changed not only how I live each day, but also how I coach and interact with my team. I continue to be mentored through Cru and have been able to take part in what the Lord is doing on campus. This year, we have seen our Bible studies and attendance at Cru Retreats more than double in size. God is moving on campus at Rio Grande and it is exciting to be a part of it."*

Scott was reached through one of our staff, who shared the gospel with him. After coming into a relationship with Christ, he has continued to grow and has been an influential part of our ministry to students at the University of Rio Grande. Scott is now much more than just a Soccer Coach - he is an ambassador for Christ to his players and fellow staff.

Cru's mission statement is "Turning lost students and faculty into Christ-centered laborers." We know that while students can be some of the most influential people in the world, students are often most influenced by coaches, professors, and university staff. It is our mission to reach these "influencers of the influential" with the gospel, and partner with them to make a lasting difference at Ohio University and Southeast Ohio!

We hope you are encouraged to know that God is using your partnership to make an eternal impact in the lives of people all over the world. Thank you!

*'Til the whole world knows,*

## God's Provision & Our Progress

We are officially at 65% of our total support goal. We are praying and trusting God to bring us to 100% by August, so that we can report to campus in time to greet the students as they arrive for a new year. Thank you so much for praying and partnering with us in this stage of our ministry.

# Prayer Requests for The Selways for April

*Stick this card anywhere that will remind you to pray!*

1. For Scott. Pray that he would continue to grow in his relationship with the Lord, and that he would use his influence to be a part of bringing the gospel to Rio Grande.
2. Pray that God would bless our efforts to reach faculty and staff at all of our campuses with the gospel.
3. For us! We are working diligently to complete the rest of our ministry partner team. We are trusting God to complete this phase of our ministry by August 13th.

We are encouraged by the progress that we've been making, but know we still have quite a way to go. Please pray that God would provide for the rest of our needs quickly to meet our goal of August 13th. *We have lots of specific ways you can be praying for this need (too many for this little card!), so if you'd like to know how you can pray specifically, please email or text Emily.*

**If we can be praying for you in any way,  
please let us know!**
