What would it take to unite 250 influential students from 20 countries across Eastern Europe together in one room?

A passion for Jesus.

In early March, four Slovene students journeyed to Siófok, Hungary for the Student Leaders Summit. The Summit brought together Christian students from across Eastern Europe to share how God is at work in their nations, pray together and be equipped to reach their campuses and countries for Christ.

Dynamic Cru speakers from around the world challenged students to follow Jesus to the ends of the earth to help give every person in the world an opportunity to hear the gospel.

Students from Slovenia, Russia, Ukraine and the rest of Eastern Europe stood together at the Summit—united in Christ—while conflict broke out in Ukraine.

Sara, a student leader from Slovenia, shared, “I’m encouraged by what God is doing in other countries—especially in Ukraine. Even in the midst of crisis, they remain faithful and trust the Lord.”

“I left dreaming that more Slovene students would live Christ-centered lives, truly following Jesus, and begin sharing their faith with others,” Matic, another student leader, told us.

The Lord is on the move in Eastern Europe, and your partnership is enabling the message of Jesus to go forward in Slovenia and throughout the world.

Helping fulfill the Great Commission through your generosity and prayers,

Jordan + Niki

Prayers

- o Pray the students who attended the Summit would continue walking closely with Jesus and influencing their campuses and countries for Christ.
- o Pray for Sara, Uroš, Matic, and Dušan, the four Slovenian students who participated in the Summit, to use the ideas and training they acquired to reach their peers for Christ.
- o Pray for us as we begin a 6-week, online, second-language acquisition course on March 31. Pray it would enable us to learn Slovene quickly and help us reach fluency faster.

Praise

- o Praise God for a fruitful Summit—an answer to prayer—as students in Eastern Europe gathered to be a part of fulfilling the Great Commission.
