Our neighbor Domen (DOH-men) has been on a spiritual journey for several years. We have read the Bible together, I've prayed with him, and his spiritual openness often increases when life is difficult. Recently, while we were talking about praying for his marriage, I said:

There's a big difference between going onto the street and yelling, "Help!" versus calling someone who knows you and cares about you and asking for help. You often talk about praying to God, the universe, a higher power, but what if you tried praying directly to Jesus? Would you try that as an experiment and see what happens?

After years of friendship, we had built enough trust for me to give him that challenge. A few weeks later, I checked in with Domen to see how praying to Jesus was going. Here's what he said:

It's working. It's been a big turnaround. I am still shocked. It's almost like "this can't be true." We are much better now.

How kind of the Lord to answer Domen's prayer and bring about a change in his marriage! We know that God doesn't always answer prayers in the way we hope or expect. Even so, when we pray for good things like our marriages, we can pray in faith, trusting the Lord to meet our needs.

Domen is still on a spiritual journey, and Jesus continues to walk with him. Please pray with us that he would surrender his life to Christ and lead his wife and three boys toward the Lord as well.

Jordan + Niki

We're enjoying our time in Ohio as we connect with partners like you, spend time with family, and eat American donuts!

Prayers + Praises

Praise God for answering Domen's prayers about his marriage. Pray

Domen would continue to move toward Jesus, read the Bible, and pray. Pray also for his wife Tina to become more open to Christ.

Pray for more open hearts and more people willing to step out in faith by reading the Bible, praying to Jesus, and experiencing life in community with others striving to live the Christian life.
