

# JOSHUA'S JOURNAL

FEBRUARY 2008

For from him and through him and to him are all things. To him be the glory forever. Amen. -Romans 11:36

## Denver Christmas Conference

The annual Christmas conference was a huge success. Over 1300 staff and students gathered in CO for a week to experience the grace and glory of God. Many students have returned to KSU with an anticipation for life and ministry.

## Western Kansas Road Trip

Paul and I made a road trip out to western Kansas earlier this month. We visited 4 schools in 3 days. Fort Hays St., Sterling College, Barton County CC, and Wichita State. Our objective was to meet with contacts in the area to encourage and resource the movement at the school. At Hays we met 2 student leaders for several hours. Barton CC has a math professor that has a vision for reaching students. We just showed up at Sterling College because it was on the way to Wichita and prayed for the campus and met with some of the faculty and student government to see if there was a fit for us. Wichita is a young, growing movement full of life and excitement. There are 5 volunteers and several students that have a vision for reaching that campus. We are excited about the potential of these campuses and trusting for all the resources to be within 10 miles of every campus in the state.

## Giants of Silence

Cru at KSU-Salina, KS Wesleyan, Butler CC, Emporia State, and Wichita State all hosted a concert with the Campus Crusade rock band "Giants of Silence." There was a large quantity of contacts surfaced interested in a spiritual conversation or bible study. Every location exceeded expectation with turnout and open doors to interested people.

## Co-Journers

This semester we have implemented a 5 week study called Co-journers. We are challenging and empowering our student leaders to dive into the lives of those around them and enter into the natural relationships that exist in their lives. We want them to believe that they have everything it takes to help someone start a relationship with God. And empower them to have a heart, to explore, to guide, to build, and to mentor others in their relationship with God. This is a very simple concept that can lift our eyes and help us see that even the smallest act has eternal significance.

### THOUGHTS OF CONVICTION:

Worship is the submission of all our nature to God. It is the quickening of conscious by His holiness, nourishment of mind by His truth, purifying of imagination by His beauty, opening of the heart to His love, and submission of will to His purpose. All of this gathered up in adoration is the greatest of all expressions of which we are capable.

-William Temple
