SUMMER 2008

**For from him and through him and to him are all things. To him be the glory forever. Amen. -Romans 11:36**

## **I'm engaged... and I'm moving to NC!**

On June 16th I became engaged to an incredible woman. Her name is Erin Coltrane and she is from North Carolina. She has worked with Campus Crusade for the last 5 years at University of North Carolina at Chapel Hill. She is kind, gracious, beautiful and hilarious.

We met 2 years ago in Orlando, FL while taking seminary classes through Crusade for theological development. We have dated since that time and are so thrilled to see how the Lord has blessed our faith in Him and each other.

I will be moving to North Carolina this fall and joining the team at Chapel Hill. It is a bittersweet reality for me while embracing so much change in the midst of such an exciting time of life, I am excited about the transition to North Carolina and the Kingdom building opportunity at Chapel Hill, yet saddened to leave Kansas with so many great memories and relationships.

The wedding date is set for **January 17, 2009**. While there is much to plan and prepare for this fall we are expectant for God's leading as we enter into a new season of life. We are so excited to begin our lives together, and we feel so blessed to be called in ministry beside each other.

### **PRAYER REQUESTS:**

*- Pray for our relationship to continue to grow and refine each of us as we embrace all the transition, wedding planning, and life's challenges ahead.*

*- Pray for Grace and Truth in love to be a vivid reality in each of our lives as we relate to each other.*

*- Pray for our financial support and financial decisions coming up as we begin to live life in NC.*

*- Pray that the Holy Spirit would lead and teach us to love well and learn each other's needs.*

### **NOTE: 8-17**

I have made the transition out to NC. I moved August 6th from KS. Life is crazy. New relationships everywhere, planning for the fall, living out of a suitcase, wedding details, and learning new roads, and missing KS has produced a low grade stress in my life. Yet, I have been encouraged along the way. God is faithful. I am grateful for you and your presence in my life.
