

CRU at UNC

JOSH AND ERIN SMITH

UNC-CHAPEL HILL

NOVEMBER 2015

She is here!

On November 9, a rainy Monday morning, we drove to the hospital for Allie's arrival. She was born at 2:01pm and weighed 7lb 8oz and 21 inches. We are overwhelmed at the Lord's kindness throughout the entire pregnancy. Waves of fear and uncertainty affected us along the way, but we kept seeing God's faithfulness to us as we waited for Allie. Thank you for your prayers and encouragement to us. We are so grateful.

Pray for the Smiths

-Pray for registration to our Winter Conference that we kicked off this week.. We are praying for 120 students to join us from UNC this year.

-Pray for students considering going on summer project in 2016 that they would trust God with their summer and that many would use it strategically to be sent.

-Thank God with us as we celebrate Allie's life and arrival.

-Pray for our End of the Year Ask that is going out soon!

SUMMER ASSIGNMENT:

This summer we are leading the Charleston Summer Mission. We are trusting God to change our hearts and the city in powerful ways. Pray for our staff team and housing as we prepare!

Sending back to New Zealand

A student I've had the privilege to invest in this year has been a highlight of my semester. Keegan Puller has been on an exchange program all of 2015. He has been a light to so many at UNC. His faith and "accent" have been a joy display Christ. He was amazed that such a large community of Christians existed at UNC and had a niche with the athletes and international students on campus.. He has a desire to pursue full-time ministry with AIA the sports branch of CRU. Pray for Keegan to follow Christ and multiply his faith as he trusts Christ in his next chapter.
