JOSH AND ERIN SMITH

UNC-CHAPEL HILL

AUGUST 2016

Here we go... A New School Year!

We are in full swing as another year is taking shape. The fall is our favorite time of year. It is full of so much potential, excitement, cooler weather(!) and new relationships. New beginnings and stories to be told as we step onto campus.

Our prayer is that **Jesus would become Better** in the hearts of students involved with us this year. Would you pray for freshman to get connected to opportunities that would offer life and hope? Would you pray that relationships would be cultivated within our movement that would take students to a deeper place of trust with God and owning their faith personally.

Pray for the Smiths

- Pray for our family: that **Allie and Harrison** would grow in the knowledge of the gospel of grace.
- Pray that **Fall Retreat Sept 16-18** would help students rest in the gospel and encourage them to respond with all their heart.
- Pray for Erin's study over **15 female leaders** who lead FR / SO on campus.
- Pray for our staff team to enjoy and **encounter the Scriptures** in a fresh way this year. We need the gospel more than anyone and we need God's promises to be real to us.

Above is our promotion card with a list of events that have happened the past 2 weeks.

Freshman Guy

Josh has befriended a freshman guy who seems more interested and full of questions than anyone he has met at UNC the past 8 years. He is honest, kind, sincere and has of many doubts. As sincere as he is about what he believes, as an agnostic he is interested to learn more about Christianity, the Bible and the person of Jesus. God seems to be doing something unique with his story. Pray for fruit in his life, saving faith in Christ and a desire to pursue truth revealed in God's word. We met for 2.5hrs last week, I've given him 2 books and he wants to meet for a 3rd time again soon!
