Spring Break

Thank you so much for praying for our spring break trip! We had a great time in Melbourne, FL with about 35 students. We had devotions each morning and group dinners at night so people could get to know each other.

A lot of the students that went were freshmen and sophomores. It was a great opportunity to get connected with some of these younger students. It was so neat to sit down with these freshmen and hear how the Lord had used the ministry in their lives this year to bring them deeper in their walks with the Lord. A number of those freshmen began walking with God this year. It was such a neat reminder of why we love what do!

PRAYER REQUESTS:

- Pray for student leaders being asked to give leadership to the ministry next year. Bible Study Leaders, Ministry Team Leaders, and Staff-Interns are all being raised up this month.

- Pray for an outreach happening April 20-22 that will engage students' world-views about cultural issues. Pray for the Word to challenge people.

- Pray for our team to finish the year strong.

Administrative Note:

Our Crusade Accounts have merged into a joint account, Josh's same account #.

All donations need to be directed to

Our Summer Assignment

This summer we are so excited to be heading to the **Clearwater Beach, FL** project! As you may know, students come on summer projects for 10 weeks to grow in their own walk with the Lord, learn how to share their faith with others and minister to the community. We will be there May 10- June 28 (staff only stay for 6 weeks). We'll be serving alongside 10 other staff and have 35 students signed up to come right now. This is one of our favorite things to be involved in on staff. I've heard project described as a "spiritual greenhouse" before and I think it's so true!

In July we will head to our national staff conference in **Fort Collins, CO** for 10 days. While there we will hear from our national leadership about where we are headed as a movement. In between all these travels, we'll be working on support and spending some time with family in NC and KS, as well!
