

CRU at UNC

JOSH AND ERIN SMITH

UNC-CHAPEL HILL

SUMMER 2017

Pray for the Smiths!

- Pray for these HCSM students to believe the gospel and see it at work in their lives.

- Pray for milestone decisions that they would remember and help them continue to walk with God.

- Pray for our financial support as we continue to work at UNC. We have a goal to raise \$500 in new monthly support this summer.

-Pray for our trip to Ft. Collins, CO for CRU17, our national staff conference July 16-24.

Thank you for your continued prayers a support of our ministry. We love what we do and had an incredible summer leading and loving these people.

Historic Charleston Summer Mission

What would it look like for 28 students to come together, commit to grow in their love for Jesus while trusting God to multiply their faith into the lives of others? 43 students and staff set out with that common mission in beautiful Charleston, SC this summer. This was a summer of firsts for so many students. First time away from home, first time to read their Bible consistently, first time to share their faith with a co-worker, first time to understand and explain their own faith journey, the first time understanding assurance of salvation. Students are still living and working in Charleston for four more weeks. This month of July is an opportunity for them collectively to experience leading each other and growing in their heart for God. They will also continue working alongside two churches downtown doing outreach in the city. Pray for continued life change in and through these students!

Kayla's Story

"As a person who is terrified of uncertainty/lack of control, I find that God often places me in situations where I'm completely out of my comfort zone. As I am on mission in Charleston, the moments where I feel like I have no control are the moments when God's power and grace shine the brightest. From ministering to my new found Turkish friends and to my co-workers, I have learned that there is no barrier God I cannot overcome as long as fully trust Him." (Below: Erin's Bible study this summer. Kayla, a junior from UNC, is the top left.)
