

# CAMPUS CRUSADE FOR CHRIST

*Building Spiritual Movements Everywhere*

December 1, 2010

As we reflect on another semester at UNC, our hearts are so thankful for what God is doing here. Our prayer is that everything we do on campus would help cultivate a vision of God that is so great that students would respond with all of their heart. We pray Jesus would be so satisfying and better to them, that following him would be the greatest joy in their life.

Here are just a few things we have seen God do to that end:

- 55 students from UNC went on a summer project this past summer, to cities all over the world
- 120 students this year have a vision to give away their lives by helping lead Bible studies
- This fall 4 students (that we know of) have trusted Christ
- On average, 400 students come to our weekly meeting to hear the Word and learn who God is

Caitlin is a junior involved with our ministry. This semester she has had the privilege of meeting with Lucy, a freshman who recently began a relationship with Christ. Here is her story:

*Seeing Lucy come to Christ was definitely a work of God. After having the head knowledge of who Christ was for many years now, Lucy finally came to understand that her heart didn't believe it. The continual process of trying to be the best she could be on her own and having control of everything had brought her to tears at the beginning of our conversation. As we walked through the gospel she began to have a sense of peace by trusting in Him and not herself. Her anxious heart began to let go and let Christ take complete control of her life. Lucy is continuing to grow in her faith with Christ. Together we are learning that experiencing rest in the gospel has less to do with ourselves, but everything to do with Him.*

We love that we get to invest in students like Caitlin and Lucy, and see their lives changed by Christ. And we love that you are a part of making this happen with us. We couldn't do this without you.

This winter we are facing some significant needs. In November our staff account entered a deficit for the first time in our time on staff. We've been brought to this point by an expensive summer in Sweden, and continued losses of monthly support. We need \$6000 of one-time gifts to help finish the year well financially. This reality has only deepened our appreciation for you, and your faithfulness to us.

As you consider your end-of-the-year giving, would you consider a special one-time gift to help provide for our ministry? If you feel led to give, please make your check payable to **Campus Crusade for Christ**, and use the enclosed envelope to respond. Please reply by December 20 in order to apply the gift to your 2010 tax return. You can also give online at: [give.ccci.org/give/0549860](http://give.ccci.org/give/0549860).

Thank you so much for your giving and prayers for us.
