

SUMMER 2010

COAST 2 COAST

WITH CAMPUS CRUSADE FOR CHRIST

New Staff Training, 2010

After five jam-packed weeks of vision casting, theology training, encouragement, ministry partner development training (support raising), and being commissioned into the Religious Missionary Order; I am officially on staff with Campus Crusade for Christ! I feel so privilege to be part of this growing international organization that is reaching the world for Christ! Some highlights of the summer for me was meeting the 131 new staff who are all called to the same ministry, hearing from the leadership of CCC, and our two seminary classes. Vonette Bright, the co-founder, shared with us how CCC began and her husband's vision for the ministry. I enjoyed hearing her stories about ministry since it all began in 1951. Vonette and her husband, Bill, has a vision to give every student an opportunity to hear about Christ. Bill said "if we can change that campus today, we can change the world tomorrow". CCC now has over 40,000 staff and interns worldwide that are dedicated to reaching college students! The current President, Steve Douglas, shared about his calling to staff and the importance of having a foundation with God. After two weeks of intense seminary classes studying Intro into Christian Theology and Bible Study Methods, I'm more equipped to be on campus. I am excited to use and teach students all I've learned! I am also thrilled to announce that I've been placed in San Diego! I'll be working with a team of 12 at San Diego State and UCSD. I'm currently in the process of connecting with supporters. If I haven't already, I look forward to seeing you and sharing more about what's next!

"No eye has seen, no ear has heard, no mind has conceived what God has prepared for those who love him"

~ 1 Corinthians 2:9

Being commissioned into the Religious Missionary Order!

With the 7 other new staff in the Pacific Southwest Region!

With Vonette Bright,

The 131 New Staff at our World Headquarters in Orlando, Fl.

(Left) with new staff friends!

*Lots of Love,
Courtney*
