

Acadia National Park, Maine
Summer Project
May 30-June 27

Hi from beautiful Acadia! Summer Project is half way over and we're having a great time experiencing GRACE and TRUTH through outdoor adventure. Over 4 weeks we focus on different virtues and aspects of life to help students develop a healthier relationship with their self, God, and others. The picture is of a perseverance bike ride up Cadillac Mountain!

Prayer Requests:

- For the 9 students' growth over the next 2 weeks.
- For Mary, a women who accepted Christ during our outreach over the weekend!
- For Ling, a Vietnamese women who works in town that I've befriended.
