

REAL LIFE SAN DIEGO

WITH CAMPUS CRUSADE FOR CHRIST

GRADUATING "GREEKS" GOING TO THE WORLD!

From L to R: Jessica C, Amy, Jess W, & me

Three of my wonderful students are graduating! **Jessica C** and I met my first week at UCSD. She was the first student I met with individually and we have been meeting for discipleship ever since! This year **she re-dedicated her life to Christ** and now she is **going to Estonia** on a summer mission trip with Cru. When she returns she'll be working in a lab on campus and volunteering with Cru. **Amy** and I met at our All Greek Lunch this past fall. She jumped right into our bible study and community. She is going on a STINT (9 month mission trip) to **El Salvador** with Cru. **Jessica W** and I met last spring during an outreach. We connected a few weeks later and have been meeting for discipleship ever since! Jess and I co-lead the sorority bible study this year. She is **serving in Lebanon** for a year through her church. These girls have been a blessing to serve alongside and share life with. Please pray for them as they graduate and go out into the world!

Once I am a Mrs... :)

Craig and I are so excited to get married and start our life together in Boston! The foundation of our relationship began there and I am looking forward to being back in the historic city with brick sidewalks, fall leaves, and snow. As I've been preparing myself to leave San Diego and the ministry here, I asked the Lord to renew my calling; whether it still be campus ministry or in the workplace. I have been on staff with Cru for four years and have absolutely loved it. I'm so thankful for the opportunity to work with college students in both Boston and San Diego. They have brought me so much joy. I've felt so honored to have a front seat in their lives and be a part of their spiritual growth. After a lot of thought and prayer, I have decided to not continue on staff once I'm in Boston. As much as it saddens me to leave a ministry that I love, am passionate about, and has played a very significant role in my life, I know that the Lord is asking me to leave and work elsewhere. I'm not sure where I'll be working or what exactly I want to do next, but I'm trying trusting God in the process. This is exciting and scary for me. I'd appreciate your prayers as I move, get married, and search for a new job! Thank you for your prayers, financial support, and encouragement throughout the past four years. I could not have ministered to Jessica C, Amy, Jess W, and many other women without you. I'm so grateful for your partnership. It has been a blessing to be a part of reaching every college student at SDSU and UCSD for Christ with you! Thank you!
