

SEPTEMBER 2011

REAL LIFE SAN DIEGO

WITH CAMPUS CRUSADE FOR CHRIST

Fall Madness!

The school year has started and is in full swing! We are still in the midst of gathering freshmen; connecting with them one on one, getting them plugged into bible studies, and inviting them to be a part of what God is doing through us at UCSD and SDSU. We met thousands of freshmen throughout Welcome Week by handing out fliers and one minute surveys that were entered into a free bike raffle. From the response on their survey, we can follow-up accordingly. I've been amazed at the number of non-Christians that have been eager to get together. It's been fun meeting with them and getting to share who Jesus is-some had never heard before! **Please pray as we continue to build relationships with freshmen!**

One area of ministry I'm especially excited about is our "Greek Row" ministry. It's amazing to see how far the ministry has come since last January: we had no involved students, no known missional students, was in the process of starting the bible studies, and I was on my own trying to navigate the greek system at UCSD. It's so encouraging to have 2 solid student leaders in the greek system that want to see their houses changed for Christ! Craig, Jessica, and I (pictured below) have been meeting to pray and plan for the semester. They have been such an answer to prayer!

Please join us in praying for the Greek System at UCSD We're specifically praying for...

Recruitment is currently going on-Sororities/Fraternities will be giving out their bids tomorrow. **We are praying for 2 strong believers in Chi Omega sorority (Jess's house) and TKE (Craig's house) that will want to join us in reaching every greek student at UCSD for Christ!**

The sobering reality is that Christians who enter the greek system without accountability and fellowship usually struggle with their faith within the first four weeks of pledging. **We have a Greek Row kick-off BBQ for all pledges on Tuesday, October 18th.** Please pray that this would be a great launching pad to get students plugged in. **Pray for Jess and Craig** as they continue to be lights for Christ in their houses.
