

# COAST 2 COAST

WITH CAMPUS CRUSADE FOR CHRIST

## What's Next for Me

My time in Boston is quickly coming to an end. I cannot believe how fast these two years have gone and how far I've come, personally and in ministry. It has been two of the hardest, but most life-giving years. I've learned so much about myself and God's love and plan for me. I've built a community of friends, co-workers, and students that have become a significant part of my life. It is going to be very hard to say goodbye. SO, you're probably wondering what's next?! After a lot of thought and prayer **I've decided to join staff with CCC!!!** I am thrilled to continue pouring into the lives of college students! I've decided to join other staff in **California** and specifically focus on Greek Ministry. I know my experience in the greek system at Cal Poly will be beneficial for my ministry. I have a heart for "the greeks" and am excited to see what God does. I am hoping to be placed in Santa Barbara or San Diego, but my final decision won't happen until this summer.

This summer I'll be searching for air conditioning in **Orlando** with a couple hundred of others joining staff with me. There, we'll be taking seminary classes that will further enhance our ministry, hear from the leadership of CCC and learn more about the organization as a whole. **New Staff Training(NST)** will be a significant launching pad as I transition into full-time ministry in California. I'm very excited for these five weeks: for the friendships that I'll make, the excellent theological training I'll receive, and the personal growth I'll have. I look forward to connecting with you when I'm home to share with you more about my summer and where I'm heading next!

"GO therefore and make disciples of all nations, baptizing them in the name of the Father, and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded of you. And behold, I am with you always, to the end of the age." ~Matthew 28:19-20
