## WHITE AS SNOW

Though your sins are like scarlet, they shall be as white as snow; though they are red as crimson, they shall be like wool. Isaiah 1:18

Snow!! It finally snowed in Tokyo!! And what a wonderful and appropriate reminder of how Jesus cleanses us as white as snow when we put our faith and trust in Him. This month prayers were answered as I prayed with Ayu, a second year at Taisho University (a Buddhist university) to receive Christ. Ayu had one Christian friend at her school (an exchange student from University of Hawaii) that helped her over the course of a year to go from believing in no god to a god to the fact that Jesus is God to finally (after her friend returned back to Hawaii) deciding she wanted to put her faith and trust in Jesus as Lord of her life. It was another awesome reminder to me that even though we're not sure of how God uses us in people's lives (I so wish her friend could have prayed with Ayu instead of me because it was a joyous moment that I know her friend had prayed for for a year) He does use us to help others along the way.

Another wonderful thing happened this past Sunday when one of my Japanese classmates (Chie) that I've been having gospel conversations with for the past six months prayed to receive Christ at my friend's church!! My church was too far for her so I introduced her to one of our Campus Crusade for Christ students who lives closer to her. That student took her to church this past Sunday then texted me to tell me Chie had received Christ!!

Both girls are just BEGINNING their journeys with Christ. Please pray for their continued growth. As a ministry partner, you're a part of their journeys as well. Thank you so much for your partnership! You're making an eternal difference!

*Jessica. Thank you soooo much today. I hope that I can close to Load than before according to know my sin. I just want to know my sin and how much does he love me. I want you to help me to my road close him.*

Please pray for Ayu and Chie to continue to grow in their new lives with Jesus!
