Dear Friends,

Every day in America students are hearing the Gospel because of our shared commitment with you to love them and help them embrace truth in their lives. As I have talked with staff and students all over New York and New England, I have seen evidence that God is at work here! Students are allowing their faith in Jesus to shape their lives and affect their relationships. Many of the key transformative moments for students come during events such as the Boston Winter Conference, which I (Jonathan) co-produce.

For the first time in my life, I shared my faith with others around the city of Boston. My hesitance to spread the Gospel soon morphed into excitement and passion as more and more people desired to know and discuss Jesus. I did not want to stop praying for people and showing them the love and care that they deserved.

After attending the conference, I look back at BWC as a Utopian-like world that ought to reflect the way the real world functions. Living at hotel and staying up all night to sing worship songs may not practically fit into my everyday schedule. However, my love for others and the study of God's word will certainly be included into my routine just as breathing air and drinking water. I owe this spiritual growth to the Boston Winter Conference.

Jocette, Sophomore at Boston University

God meets with students at these conferences! I'm so excited and grateful to be a part of how He changes the lives of students like Jocette. Kerri and I want to grow in our ability to connect this generation of students with the person of Jesus, and I think this summer will help us do exactly that!

Kerri and I are looking forward to spending much of June and July in Fort Collins, Colorado, taking seminary-level classes and attending the 2011 U.S. Staff Conference. Campus Crusade requires that we take continuing education courses, so that we as staff are increasingly relevant and accurate in how we communicate the truths of scripture to this generation of students. One of the reasons I believe that God has blessed Campus Crusade over these many years is because of the intentional focus given to developing our staff members in areas such as Biblical knowledge, apologetics and ministry effectiveness.

Zoe and Sophie are in for a treat as well - the Kids' Camp childcare that Crusade runs in Fort Collins is, I'm told, the largest operation of its kind in the U.S. and offers a ton of enriching and fun activities for the many children in our ministry.

These are significant events, but we need your help. Factoring in the cost of classes, conference fees, lodging, childcare, and transportation, our summer will cost us \$206/day. Would you be in a position to help by sponsoring us for 2 days (\$412), 1 day (\$206), 1/2 day (\$103), or some other amount to enable us to attend? Please make any gift payable to *Campus Crusade for Christ* and mail it in the enclosed envelope, or give online at give.ccci.org (enter our account number, 0550581).

You play a vital role every day in the lives of those who are without Christ. We are grateful for your friendship and are excited to see what the Lord will continue to do, as we trust Him together.

In Christ,

Jonathan and Kerri
