

Online Ministry is Growing Rapidly

If you had told us, or even suggested, just a few months ago, that a major impact of our ministry would be accomplished through social and online

Because **Conexion3** is a ministry to only **about 40 families!** But, obviously, this type of bi-lingual ministry is resonating with many others.

In fact, we know we have folks who are watching and **sharing these videos in New Zealand, Ecuador (many of our *CaFaith* family), Colombia, and elsewhere in the world.**

You can check out the videos at:
www.facebook.com/conexion3tucson/.

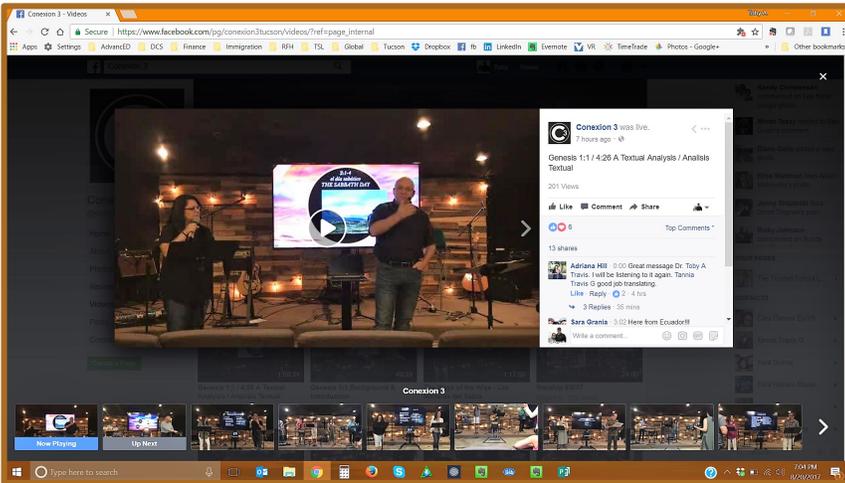

We are also seeing the **TrustED School Leader Blog** at: www.trustedschoolleader.com continue to sore in readers. There are **now over 4,900 regular subscribers** to the

blog; and as of today, **over 26,000 visitors** to the site. **One result?** Toby has received invitations to minister and provide training to other school leaders later in the coming months **in Nicaragua, the Dominican Republic, Panama, Paraguay, and even exotic places like Long Island and New Jersey!**

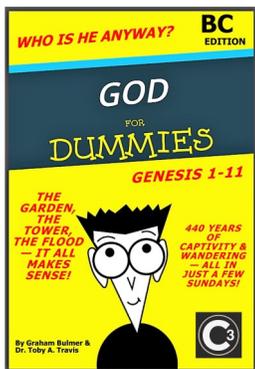

Obviously, we have no clue what doors God will open next, or what means He will use. We are simply thankful and honored to have these opportunities. And once again, thank **you for helping us to help so many others!**

Yours for Christ,

Toby, Tannia, & Emma too!

media, we would have been quite skeptical. However, we are humbled and thrilled to share with you this month an update on the various ways our ministry is literally touching the world.

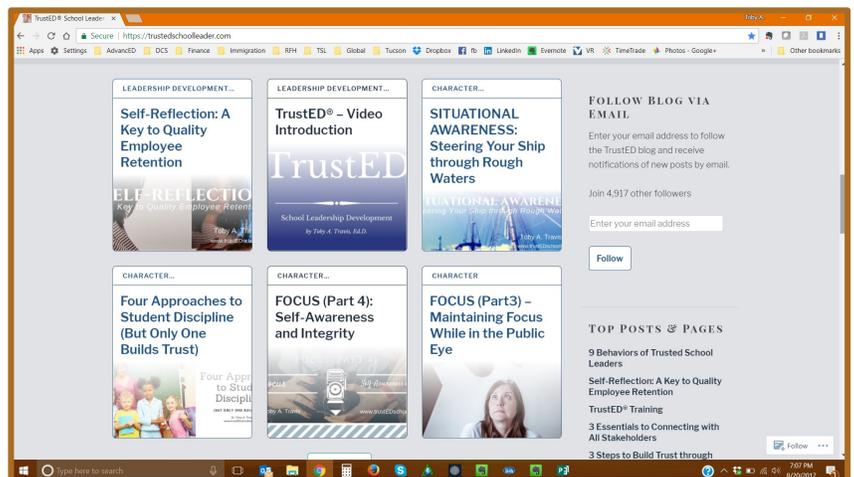

As you know, one of the ministry opportunities the Lord has guided us into here in Tucson, is that of serving in a bi-lingual church plant called **Conexion3**. Toby was invited to join the teaching staff, and recently he began teaching a series on Genesis chapters 1-11, entitled **“God for Dummies.”** This was a series that Graham

Bulmer originally developed for the **Vista Seminars**, when he and Toby were teaching together in Quito, Ecuador.

Well, the services at **Conexion3** are broadcast on **Facebook LIVE** each Sunday morning, and although we can't say that the videos have gone viral—we are amazed that **in the first week of the series over 800 have viewed the message!**

The screenshot above is from this past Sunday, and within a few hours after broadcasting, already over 200 have viewed the message! **Why is this amazing to us?**
