June 2022 Ministry Update

Hello Friends & Family!

The conclusion of another school year is always accompanied by “goodbyes” and “farewells” to fellow Christian educators transitioning to other ministry and life opportunities. Pictured below, along with our division principals, are faculty and staff members of *Village Christian Academy*, who have wrapped up their time of service to

our students and community; several have served for many years, and we will miss them all. So grateful for their sacrificial contributions and dedication to pouring into the lives of students for the cause of Christ. It has been an honor to serve with them these past few years.

The end of the school year almost always also brings opportunities to attend conferences and sharpen skills through professional development and learning from others. This month, in Pasadena, California, I participated in the *Best Practices Conference* organized by *Wheaton Academy*.

Here I am pictured with my good friend and colleague, Clint Holden, who owns *SchoolRIGHT, LLC*, a data and survey

company that services Christian schools worldwide and was one of the conference’s sponsors. Clint and I have been able to assist and support numerous schools in securing meaningful and valuable data to inform and guide school and ministry improvement initiatives. It was great to have the opportunity to learn and interact together throughout the conference.

In addition to participating in the conference, the trip also allowed me to connect with my step-brother, Matthew. We’ve not enjoyed time together in several years, and it is always a great time when we do. Matt and I were roommates forty-one years ago! Does that seem possible?!

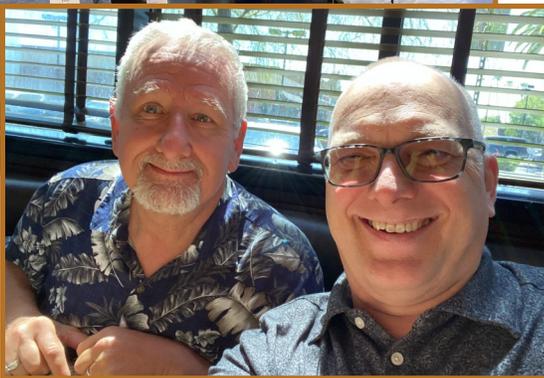

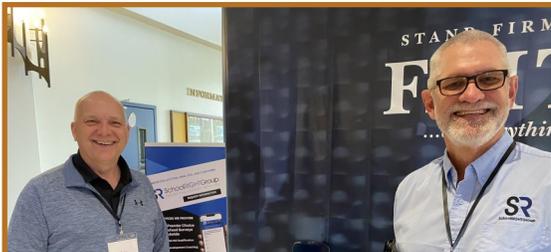

Matt, and his wife, Maria, have been great encouragers for us and our ministry over the years. His joy for the Lord and service to others is always an inspiration! Great to see you, Matt! Thanks for taking the time.

Our backyard has been transformed with the addition of a new pool, which Emma and her friends are making great use of. She is also enjoying several weeks of “Art Camp” as she develops her interest and skills in drawing and painting.

We will also enjoy some vacation days over the coming weeks, though mostly staying close to home. Praying that your summer is blessed and filled with times of refreshment. Thank you, again, for your support, prayers, and friendship!

Yours for Christ,

**Toby (for Tannia & Emma too!)**

Enclosed is my gift of \$ \_\_\_\_\_ designated for the ministry of *Toby & Tannia Travis #20245*.
